ELECTRONIC RESPONSES: To respond electronically to a solicitation, the vendor must first register with the County's eProcurement system (P.O.R.T.) by going to the <https://www.aacounty.org/PORT> clicking the "Registration" button at the top of the page, and completing the Vendor Registration. Detailed instructions for using the P.O.R.T. system are available by scrolling down on the P.O.R.T. home page.

Once registered, the Bidder or Offeror should log back into P.O.R.T. and edit their profile by selecting the organizational contact(s) that should receive an automated confirmation of the vendor's electronic bid or proposal responses successfully submitted to the County.

When responding electronically to a specific solicitation, the vendor must read and accept the Original Solicitation Documents and complete pricing and any other identified requirements. In addition, the vendor should download and save all of the Original Solicitation Documents on their computer so that they can prepare their response to these documents. Vendors should upload their completed response to these downloaded documents (including Affidavit, exhibits, forms, and other information concerning the solicitation) as an attachment to the electronic solicitation response. A scanned copy of the Affidavit may be submitted if responding to the solicitation online. If the responding vendor is awarded a purchase order or contract, the vendor will submit the original version of the Affidavit that was scanned and submitted online to the County's Purchasing Division, Office of the Purchasing Agent, within ten (10) calendar days of request.

The deadline for submitting a request for clarification of requirements is noted in the Collaboration Section of this solicitation. The County Purchasing Agent will respond by notifying Bidders or Offerors by written addendum.

Any Bidder or Offeror finding any discrepancy in or omission from the Specifications resulting in doubt as to their meaning, or feeling that the Specifications are discriminatory, will notify the County Purchasing Agent in writing no later than the deadline noted in the Collaboration Section of this Solicitation. These exceptions in no way obligate the County to change its specifications. The County Purchasing Agent will respond by notifying Offerors by written addendum of any interpretations made of the Specifications.

The County shall assume no responsibility for oral communications. All official correspondence in regard to the Specifications will be directed to and will be issued by the County Purchasing Agent in writing. To better ensure fair competition and to permit a determination of the Successful Bidder or Offeror, a Bid or Proposal Response may be rejected if they show any omission, irregularity, alteration of form, addition, condition, unresponsiveness, or unbalance.

Specifications provided are based on County needs and uses, estimated costs of operation and maintenance, and other significant or limiting factors to meet County requirements and consistent with County policies. Minimum and maximum specifications, where included, are not established arbitrarily to limit competition or to exclude competitive Bidders or Offerors. In the case of discrepancy between the unit price or rate and the extension of that unit price or rate, the unit price or rate shall govern.

Contact with any County representative concerning this solicitation, other than as stated herein, is prohibited. "County representative" will include, but not be limited to, all elected and appointed officials, County employees, and members of the Evaluation Committee.
