Contracts for services may be cancelled for justifiable cause by the Chief Procurement Officer by giving the vendor at least 72 hours' written notice. 39. Volume of Business

Except as otherwise stated in this solicitation, the State of Alabama cannot and does not guarantee any volume of business.

40. Waiver

The failure of the State of Alabama to require performance of any provisions of this solicitation or resulting contract shall not affect the State's right to require performance at any time thereafter, nor shall a waiver of any breach or default constitute a waiver of any subsequent breach or default nor constitute a waiver of the provision itself.

3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

4. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Except for transactions authorized under sub-paragraph 5 above, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
