Section 1 RFP Description and Specifications

A. Purpose of RFP

The Alabama Board of Pardons and Paroles (hereinafter “the Bureau” or “ABPP”) is seeking proposals from qualified professionals to provide evidence-based criminal thinking interventions, drug/alcohol outpatient (OP) and intensive drug/alcohol outpatient treatment (IOP), medically assisted treatment (MAT), continuum of care, mental health counseling, and re-entry services to parolees, probationers, and mandatory releases participating in the Bureau’s Day Reporting Centers (DRC) in Madison, Montgomery, Tuscaloosa, Dekalb, Walker, and Jefferson Counties.

B. Background

1. The Bureau recognizes a strong correlation between success on probation, parole, or mandatory release and reentry services provided immediately after release from incarceration or sentence to probation. DRCs are non-residential programs that provides people under supervision of the Bureau— whether on probation, parole, or mandatory release—access to needed resources to successfully prevent recidivism. The DRC is a “one stop shop” for medium to high-risk people assigned to the program. Evidence-based programming is offered to reduce criminal thinking/behavior, eliminate substance abuse, and increase educational levels and employability. Basic DRC program components involve intensive substance abuse treatment, mental health counseling, cognitive behavioral therapy to reduce criminal thinking, basic adult education, life skills, employment enhancement, intensive supervision, restitution, and community service.
2. The DRC program consists of three (3) phases:
 - (a) Phase 1 (30-45 days): Focus on detoxification and cognitive reconstruction, screening, curfew compliance, assessment, orientation/case management, participants are regularly drug tested, 40 hours of community service completed, family/faith-based community involvement.
 - (b) Phase 2 (2-6 months, although length of phase dependent upon individual): Focus on maintaining sobriety: Surveillance by officer, 40 hours of community service completed, GED/basic adult literacy, employment readiness, AA/NA meetings, relapse prevention, and continued cognitive behavioral therapy. This program is at night, because people under supervision are at work during the day, although day programming is available.
 - (c) Phase 3 (6 months of aftercare, although length dependent upon individual): Maintaining recovery: Continued sobriety, drug testing, community support, AA/NA, supervision, and may require weekly staffing meetings and continued employment. This period may require a curfew or closer supervision dependent on participant need and validated risk assessment tool. Upon completion, the participant will be transferred to the field office in the location of their approved home plan.

	Document Phase	Document Description	Page 12
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

3. Supervision of participants is provided by the Bureau's probation and parole officers and support staff. Some components of the program will be managed through collaboration with community partners.
4. The DRC serves both male and female probationers, parolees, and mandatory releases. Participants are medium to high risk and high need as determined by their risk assessment performed by the Bureau's officers. All participants have some degree of involvement with the criminal justice community.

C. Description of Required Services

1. The successful Supplier will provide evidence-based criminal thinking interventions, drug/alcohol outpatient (OP) and intensive drug/alcohol outpatient treatment (IOP), medically assisted treatment (MAT), continuum of care, treatment for co-occurring disorders, mental health counseling, and re-entry services as an integral part of the DRC programs. Comprehensive and evidence-based service that produce maximum results for those served will be required.
2. The Vendor will provide services for drug/alcohol treatment and mental health counseling for phases one (1) and two (2) of the DRC Program.
3. Each parolee/probationer/mandatory release's participation in the DRC program shall be based on an individualized assessment of their risk and needs. ABPP DRC staff will conduct an assessment using the appropriate tool from the Risk Assessment System utilized by ABPP and will provide copies to the Vendor to guide services. ABPP staff will also conduct initial screenings for substance abuse using UNCOPE and mental illness using the agency adopted mental health screening tool. Based on the responses to the screening tool, a referral to the Vendor for a complete assessment may be made. Copies of UNCOPE for referrals will likewise be provided to Vendor. Vendor will conduct a complete assessment for individual participants and assign each individual to an appropriate or specialized treatment group. Assessments must be used to identify the needs of each participant to ensure appropriate placement. Vendor will conduct assessments based on Chapter 580-9-44 of the Alabama Administrative Code. The treatment program shall be certified and use the Department of Mental Health's (DMH) approved assessment tool that includes all six (6) dimensions per ASAM.
4. The Vendor will create a drug treatment program based on approved, evidence-based practices for the scope of the services Vendor is going to provide. The population will consist of a combination of recently paroled participants (leaving prison), mandatory releases (leaving prison), and probationers accepted from the court system. The treatment program must be structured to meet the needs of the criminal justice-involved participant population, including those that are co-occurring enhanced and co-occurring capable.
5. The Vendor is encouraged to use and work with local and statewide charitable organizations, resources, and service providers. The successful Vendor will have relationships with local, state, charitable, and federal agencies for housing, Social Security benefits, aftercare, mental health needs and other services that will benefit DRC participants. Specifically, AA and NA groups may be conducted by local organizations that provide services to the community.

	Document Phase	Document Description	Page 13
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

6. The Bureau is also interested in family reunification programs for residents who have been incarcerated or otherwise separated from their families. The Vendor will offer programs to reunite families and help participants develop parenting skills.
7. Participants are available for group and individual counseling five days a week and on weekends. Vendor must meet the Alabama Department of Mental Health's minimum requirements for the number of group hours and individual sessions provided to each individual participating in an outpatient (OP) and intensive outpatient (IOP) treatment program or substance abuse program. The DRC's hours of operation are from 8:00 am through 8:00 pm on Monday through Friday. Weekends are available if necessary. ABPP will provide classroom space and times of programming/service provision will be mutually agreed upon.
8. The Vendor is encouraged to make use of all available resources. However, all offsite activities must be scheduled in advance and are subject to the discretion of the DRC staff to ensure public and participant safety.
9. The Vendor will be tasked with making treatment referrals for participants with mental illness and/or mental health related issues, including not limited to: (1) treatment with a psychiatrist that holds a license as a medical doctor in the State of Alabama and is otherwise qualified to practice psychiatry in the State of Alabama, and (2) scheduling psychiatric appointments for participants with that psychiatrist.
10. Vendor must assist the Bureau in creating specialized treatment groups for those participants suffering from mental illness and shall be responsible for providing the Bureau's DRC personnel with records of those participants suffering from mental illness for the purpose of developing appropriate treatment plans.
11. The successful Vendor will have access to inpatient drug treatment for participants needing detoxification services. Preference may be given to Vendors with established protocols for effecting such referrals and/or formal arrangements with existing local or regional inpatient treatment providers/facilities. Inpatient treatment, itself, will not be covered under the scope of any contract awarded through this RFP.
12. The Bureau is agreeable to certain Medication Assisted Therapies (MAT), provided they are within Department of Mental Health guidelines for administration. The Bureau encourages co-sponsored grant applications for funding such a therapy at a DRC.
13. Vendor will provide Telehealth (Telepsychiatry) services for up to 10% of the DRC population at each location. Vendor may prescribe suboxone to participants to treat opioid addiction via telehealth where appropriate.
14. Vendor will be responsible for recruiting qualified personnel to ensure the availability and maintenance of adequate staffing levels, including the prompt assignment of qualified substitutes in the absence of assigned contract personnel. Vendor will ensure staffing levels meet the requirements of the DRC population. Vendor will notify DRC staff immediately of any disruption in service. Also, the Department of Mental Health mandates certain requirements for these positions and Vendor will be responsible for compliance.
15. Vendor's personnel serving onsite must be certified to perform the services of relevant positions, including any specialized certifications required for performing assessments and handling specialized groups of participants, i.e., those with mental illness as required by the Alabama Department of Mental Health, Alabama law, and any other applicable federal, state, and local, laws, rules, and regulations.

	Document Phase	Document Description	Page 14
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

16. Data Collection. Vendor must be capable of collecting and providing for analysis of certain data to measure program performance. The Vendor will be required to coordinate with ABPP to determine what specific data metrics will be needed/collected and to establish and comply with the process for transferring data to ABPP. Vendor must also be responsible for supplying the Department of Mental Health certain statistical data as required to meet and maintain certification responsibilities.

17. Confidentiality.

(a) Data received from the Bureau shall be treated as private, confidential information. The Vendor will be bound by privileges governing the Bureau's files and records as if it were the Bureau, itself. *See* Ala. Code §§ 15-22-36(b), 38, 53; *Ex parte Alabama Bureau of Pardons and Paroles*, 814 So. 2d 870, 873 (Ala. 2001); Ala. Op. Atty. Gen. No. 2002-143 15-22-38. The vendor will have a duty to protect all privileged information shared by ABPP.

(b) Data obtained or collected by the Vendor under the scope of ABPP's DRC program shall not be reproduced for or furnished to outside sources in any manner without prior permission of the Bureau and the third party must execute a separate agreement with the Bureau. Data collected and analyzed shall only be used for program evaluation purposes that meet the objectives of the Bureau and the DRC program. All data collected and provided shall be maintained securely. All data contained on disk, hard copy, etc. shall be maintained in a secure, locked environment.

(c) The transfer of data shall be by secure means. Data containing identifying information shall not be transmitted via e-mail without being encrypted and password protected. Secure transmission includes the mailing of data disks using companies such as Federal Express, which track shipments and require proof of delivery. All data provided to the Bureau in a hardcopy format such as a disk or portable flash-drive will be destroyed once the data are transferred to an encrypted computer. All data pertaining to the Bureau's DRC project shall be password protected with access limited to individuals who have completed and signed an "Acknowledgement of Responsibility to Uphold Statutory Privileges Governing Alabama Bureau of Pardons and Paroles' Files and Records" form.

18. The Vendor (or Vendors) will provide services at the following Day Reporting Center locations: Jefferson County (Birmingham); Montgomery County (Montgomery); Tuscaloosa County (Tuscaloosa); Madison County (Huntsville); Walker Counter (Jasper); Dekalb County (Ft. Payne).

There may be multiple awarded vendors for this contract for part or all of the requirements of this RFP. For example, an award could be made to a vendor that can only serve one geographic area and another award could be made to a vendor with a proposal that will serve two other geographic areas. However, contracts may be awarded to one vendor for all areas.

19. Services must begin on February 1, 2026, or the date the Governor approves the final contract or contracts, whichever date is later.

The initial contract term will be for two years. Upon written agreement of the parties, the Contract may be extended at the discretion of ABPP to continue performing services in one year renewal increments. The total contract period of this Contract, including any extensions thereof, shall not exceed five (5) years. Any renewal will have to be signed by the State CPO and will be reviewed by the Legislative Contract Review Oversight

Committee. Renewals will also require the Governor and/or her designee's signature to be effective under law.

20. As stated below, ABPP anticipates awarding a contract to the most responsible, substantially compliant, and lowest-priced Vendor if funding is available. However, ABPP hereby reserves the right to cancel this RFP, reject any or all proposals, to reject individual proposals for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects and/or seek additional proposals and also reserves the right to award one or more professional service contracts that ABPP determines to be in the best interest of the state and ABPP. All services may be awarded to one professional service provider or ABPP may award different services described in the RFP to different/multiple providers.

DRC participants these resources will address, and how the services will be accessed. Vendor must include a copy of any collaborative agreements. If formal agreements are not in place, please include letters of intent, along with a detailed description of the arrangement. A formal agreement may be required by the Bureau depending on the type of arrangement and service at issue.

11. Describe procedures Vendor will use to assure participants are discharged with a strong support system, including services to be employed to provide a continuation of mental health and or drug/alcohol treatment/care.
12. Discuss any limits or prohibitions to Vendor participation and requirements of discharge.
13. 15. Vendor must possess adequate resources to implement a plan for promptly handling participants who may be identified as posing a potential threat of harm to themselves or others, including referral and access to inpatient mental health treatment as deemed appropriate.
16. The Vendor is encouraged to submit their report for consideration an addendum to outlaying costs and protocols associated with providing telepsychiatry services for up to 10% of the DRC population at each location.
17. Vendor must provide along with the proposal an up-to-date resume of any individual, including any subcontractors, who would be performing services under any executed contract.
18. Vendor must also submit evidence of appropriate licensure or certifications of any individual, including any subcontractors, who would be performing services under any executed contract.

	Document Phase	Document Description	Page 17
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

coverage with its proposal and maintain the insurance coverage for the entire duration of any executed contract.

20. Vendors are required to annotate in their proposal how any existing state contract could meet that portion of the terms of the RFP.

21. Budget.

- (a) Vendor must include with its proposal a proposed detailed, itemized, annual budget, including maximum, anticipated program start-up and personnel costs. Vendor must specify anticipated time requirements for services and provide all applicable hourly rates and any breakdown of costs (direct and indirect) based on the services that will be required. Vendor will identify applicable, individual per hour contract rates for services, which will include all direct and indirect costs. If multiple individuals would provide service under an executed contract, this information must be provided for each such individual. Vendor shall submit a separate firm and fixed "total" price to cover performance of all services described in the RFP. All costs included in the budget must additionally be broken down and itemized with an explanation for each item. All costs must be all-inclusive of any outsourced or subcontracted work. Vendor shall propose a price that reflects any business risk it perceives in the way the proposal specifications are stated.

Insurance offsets: ABPP prefers proposals that will provide for the billing of participants and/or their insurance providers for services covered by insurance if the participants have insurance coverage, including Medicaid or Medicare, for applicable services. The amounts covered by insurance would then be offset from the cost of services normally billed to ABPP.

If offsets are applicable, Contractor shall reduce rates/amounts invoiced to the Board for services rendered by any available, applicable offset. Actual offsets shall be expressly identified and included in Contractor's invoice for payment for the applicable period of service, along with supporting documentation. Actual offsets will be reflected both as a rate reduction for the hourly rate applied for the delivery of services by Contractor and a deduction from the total amount due for the period of service.

- (b) Vendor shall not anticipate nor rely on clarifications, discussions, redefinition, or further negotiations with the Bureau after the contract award to adjust the price contained in its proposal for the work required by the RFP. Any efforts to limit, qualify, caveat, restrict, or place conditions upon the price being proposed shall be considered non-compliant and shall result in the proposal being rejected as non-responsive.

ABPP is not responsible for any expense incurred by the submitter in the preparation and presentation of a proposal or any other costs incurred by the submitter in the preparation and presentation of a proposal or any other costs incurred by a submitter prior to execution of a contract.

D. Discussions and Best and Final Offers

Discussions may be conducted with offerors who submit proposals determined to be reasonably susceptible of being selected for award, but proposals may be accepted without such discussions.

For the purpose of discussions, proposals will be initially classified as:

1. Acceptable;
2. Potentially acceptable, that is, reasonably susceptible of being made acceptable; or
3. Unacceptable. Offerors whose proposals are unacceptable will be notified promptly.

	Document Phase	Document Description	Page 20
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

Discussions will be had with businesses who submitted acceptable or potentially acceptable proposals. They will not be conducted with businesses who submitted unacceptable proposals.

Discussions will be held to:

1. Promote understanding of the Bureau's requirement and the offeror's proposals; and
2. Facilitate arriving at a contract that will be most advantageous to the State taking into consideration price and the other evaluation factors set forth in the Request for Proposals.

Offerors that take part in discussions will be accorded fair and equal treatment with respect to an opportunity for discussions and revisions of proposals. Auction techniques (revealing one offeror's price to another) and disclosure of any information derived from competing proposals is prohibited during discussions. Any substantial oral clarification of a proposal shall be reduced to writing by the offeror.

Price should be submitted at the same time proposals and best and final offers are submitted.

Proposals may be modified or withdrawn before the time and date announced for receipt of proposals. After discussions have begun, proposals may be modified or withdrawn before the time and date announced for receipt of best and final offers.

Best and final offers must be submitted in the same way and in the same form as the initial proposals.

The Proposal Evaluation Committee will consider best and final offers for seven (7) days.

Best and final offers shall be submitted only once. However, the Chief Procurement Officer or the Director of the Bureau may make a written determination that it is in the State's best interest to conduct additional discussions or change the State's requirements and require another submission of best and final offers. Otherwise, no discussion of or changes in the best and final offers shall be allowed prior to award. If offerors do not submit a notice of withdrawal or another best and final offer, their immediate previous offer will be construed as their best and final offer.

ABPP reserves the right to utilize a cooperative contract following the receipt of best and final offers if it is determined to be in the best interest of the State.

E. Amendments to RFP

1. Amendments to this RFP, if issued, will be posted on STAARS.
2. The amendment(s) will incorporate the clarification or change and provide a new date and time for new or amended proposals, if applicable. It is the responsibility of all interested Vendors to monitor STAARS for announcements regarding this RFP.

F. Clarifications and Suspected Errors in RFP

1. If a Vendor suspects an error, omission, or discrepancy in this solicitation, Vendor must immediately notify the Bureau's designee by e-mail (rfp@paroles.alabama.gov). Any amendment to the RFP, for any reason, will be posted on STAARS.
2. If a Vendor considers any part of the RFP unclear, that Vendor is expected to make a written request for clarification, prior to the submission of the proposal. The Bureau will respond in writing if a response is deemed appropriate. The Bureau's response will state the request for clarification followed by a statement of clarification. A copy of the response will be provided to all eligible Vendors by posting the same on the Bureau's website, <http://www.paroles.alabama.gov/>. Additionally, all questions and answers will be posted as an amendment to the RFP in STAARS. It is the responsibility of all interested Vendors to monitor STAARS for announcements regarding this RFP. The deadline for submitting such questions is 5:00 p.m. CST on September 12, 2025. ABPP's response to questions will be provided no later than fourteen (14) days from this submission deadline.

G. Request to Modify or Withdraw Proposal

1. Vendor may make a written request to modify or withdraw the proposal at any time prior to opening. No oral modifications will be allowed. Such requests must be addressed and labeled in the same manner as the original proposal and plainly marked.
2. Only written requests received by the Bureau prior to the scheduled opening time will be accepted. The Bureau will supplement original proposals received with accepted, written modification requests.

H. Responsibility to Read and Understand RFP

By responding to this solicitation, Vendor will be held to have read and thoroughly examined the RFP. Failure to read and thoroughly examine the RFP will not excuse any failure to comply with the requirements of the RFP or any resulting contract, nor will such failure be the basis for any claim for additional compensation.

I. Point of Contact

1. ABPP will consider the person who signs Vendor's proposal to be the contact person for all matters pertaining to the proposal unless Vendor expressly designates another person in writing.
2. By signing the proposal, Vendor agrees to be bound by all requirements, terms and conditions of the RFP. Any exceptions to the specified terms and conditions must be clearly set forth within Vendor's proposal. Vendor may be deemed non-responsive if its proposal contains exceptions to the terms and specifications of the RFP.

J. Certifications of Vendor

1. By submitting a proposal, Vendor warrants acceptance and agreement with all requirements, terms and conditions presented in this RFP and further certifies that Vendor is legally authorized to conduct business within the State of Alabama and to comply with providing the services described.

	Document Phase	Document Description	Page 22
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

2. Vendor warrants by submitting a proposal that all statements contained in the proposal are true and correct.
3. By submitting a proposal, Vendor warrants that neither Vendor nor any of Vendor's trustees, officers, directors, employees, agents, servants, volunteers, subcontractors, etc. is a current employee of the Bureau of Pardons and Paroles and that no such individuals have been employed by the Bureau within a two (2) year window preceding the issuance of this RFP. During the term of any awarded contract, Vendor shall be responsible for ensuring compliance with this requirement.
4. Vendor certifies by submission of a proposal that Vendor has not publicly or privately colluded with any other Vendor.
5. Vendor certifies by submission of a proposal that it has disclosed and agrees to be held by a continuing obligation to disclose financial and other interests (public or private, direct or indirect) that may pose a potential conflict of interest, or which may conflict in any manner with Vendor's obligations and performance of an awarded contract. Vendor shall not employ any individual with a conflict of interest to perform any service described in this RFP.

K. Proposals are Firm

1. Proposals will remain firm and unaltered after opening for one-hundred and twenty (120) days after the proposal due date or until ABPP signs a contract with another Vendor, whichever is earlier.
2. ABPP may accept Vendor's proposal at any time during the proposal firm time, subject to successful contract negotiations.

L. Award of Contract

1. The successful Vendor may be required to enter into contract negotiations at the discretion of ABPP. If an agreement cannot be reached to the satisfaction of ABPP, the Bureau may reject the Vendor's proposal or revoke the selection and begin negotiations with another qualified Vendor. Any proposed changes, as well as the final contract, must be approved and signed by the appropriately authorized State of Alabama and ABPP official(s).
2. Upon acceptance of Vendor's proposal by the Bureau, the parties will execute a formal contract, in writing, duly signed by the proper parties thereto, which shall be subject to review by the Chief Procurement Officer, the Legislative Contract Review Oversight Committee of the State of Alabama and the approval and signature of the Governor of the State of Alabama. Vendor will assume responsibility for providing services under the executed contract on the effective date of the contract, which will be the date of approval and signature of the Governor of Alabama or her designee. The executed contract will not be effective until it has received all requisite state government approvals. Vendor shall not begin performing services thereunder until notified by the Bureau. Vendor will not be entitled to compensation for work or services performed prior to the effective date of the contract.
3. This RFP does not, by itself, obligate the Bureau; such obligation shall commence only upon the execution of any approved contract. However, part or all of this RFP may be incorporated into any executed contract, along with Vendor's proposal. The Bureau

	Document Phase	Document Description	Page 23
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

hereby reserves the right to add terms and conditions during contract negotiations, all within the scope of this RFP.

4. If Vendor begins any billable work prior to final approval and execution of a contract, Vendor does so at its own risk. Vendor's contract, itself, will not be effective until it has received all requisite state government approvals, which includes the signature of the Governor of the State of Alabama, and Vendor is entitled to no compensation for work or services performed prior to the effective date of the contract.
5. The Bureau anticipates submitting an executed contract to the Legislative Contract Review Oversight Committee (LCRC) for approval by the deadline for the applicable Contract Review Meeting. As such, any awarded contract must be timely executed by ABPP and the successful Vendor and all requisite forms and documentation must be received by the Bureau, for timely submission to the LCRC clerk.
6. A standard agency contract will be required. Standard agency acknowledgement forms will be required for any individual associated with the successful Vendor to perform services under an executed contract.
7. The anticipated contract term for this RFP is a two (2) year period. The Bureau reserves the right, however, to include up to three (3) one year renewal options, at its discretion, in any initially awarded contract. When provided for in any executed contract, ABPP has the sole option to exercise renewal options. All renewals must be approved by the Chief Procurement Officer, the Alabama Legislative Contract Review Oversight Committee, and the Governor of the State of Alabama.
8. Unless otherwise provided by any executed contract, the holding over of the contract, excluding any exercised renewal options, will be considered a month-to-month extension and all other terms and conditions shall remain in full force and effect. To be effective, any renewals must also be submitted and approved by the Chief Procurement Officer, the Alabama Legislative Contract Review Oversight Committee and require the approval and signature of the Governor of the State of Alabama to be effective.

M. Reservation of Rights

1. ABPP anticipates awarding a contract to the most responsible, substantially compliant, and lowest-priced Vendor if funding is available. However, ABPP hereby reserves the right to cancel this RFP, reject any or all proposals, to reject individual proposals for failure to meet any requirement; to award by item, part or portion of an item, group of items, or total; and to waive minor defects and/or seek additional proposals and also reserves the right to award one or more professional service contracts that ABPP determines to be in the best interest of the state and ABPP. All services may be awarded to one professional service provider or ABPP may award different services described in the RFP to different/multiple providers.
2. ABPP reserves the right to award the contract to a Vendor other than the lowest-priced Vendor if a higher-priced proposal is most advantageous to the State.
3. Submission of a proposal confers on Vendor no right to a selection or to a subsequent contract. This process is only for the benefit of ABPP and is to provide ABPP with competitive information to assist in the selection process. All decisions on compliance, evaluation, terms, and conditions will be made solely at the discretion of ABPP.

	Document Phase	Document Description	Page 24
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

N. Evaluation and Selection

1. The Bureau will designate a Proposal Evaluation Committee to be made up of at least five (5) members of ABPP Senior Staff. ABPP reserves the right to include a qualified expert with relevant experience to participate in proposal evaluations. The Proposal Evaluation Committee will then make a recommendation to the Director of ABPP who will recommend an award to the Chief Procurement Officer, who is the awarding authority.
2. Vendor selection will be based on the proposal that meets or exceeds the requirements set forth in this RFP. Proposals will be evaluated based on the quality and completeness of the information provided. Vendors must provide comprehensive statements that illustrate their understanding of the proposed contractual requirements. ABPP may seek clarification of a proposal from any Vendor at any time; Vendor's failure to timely respond is cause for rejection. Clarification is not an opportunity to modify a proposal.
3. ABPP may request an oral presentation or conduct interviews to support Vendor's written proposal.
4. Any Vendor whose proposal does not meet the mandatory requirements and does not provide a primary proposal that meets all the required specifications of the RFP will be considered non-compliant.
5. Proposal evaluations will be scored and based on the response to the requirements of this RFP and held as the primary proposal. Alternative proposals will not be considered as the basis for the evaluation of the successful Vendor. All proposals received will become the property of ABPP. ABPP further reserves the right to use for its benefit the ideas contained in proposals received. After the evaluation of proposals received and selection of the successful Vendor, the selection and the award will be posted on the agency's website after the Governor signs the contract.
6. Upon ABPP selecting a Vendor's proposal for contract negotiations, ABPP will send Vendor written notice. Notice letters sent or posted during proposal firm time, or during any extension thereof, will extend the proposal firm time until such time as ABPP signs a contract or determines negotiations with Vendor have failed. Receipt or posting of a notice of award is not the equivalent of a contract with ABPP. ABPP anticipates making a Vendor selection within no more than seven days from the date scheduled for best and final offers, but reserves the right for an extension of time as required. The Division of Procurement will send out the Notice of Intent to Award via email to participating suppliers.

O. Evaluation Criteria

The following criteria will be used in evaluating proposals:

1. Location, Experience, Expertise, Knowledge, Stability, and Past Performance and Capabilities (as demonstrated in the Proposal) of Vendor (35%).
2. Suitability of Approach (25%).
3. **Proposed Budget (40%).**

P. Standard Contract Terms

Terms in the final contract will include, but not be limited to, the following:

The initial contract term will be for two years. Upon written agreement of the parties, the Contract may be extended at the discretion of ABPP to continue performing services in one year renewal increments. The total contract period of this Contract, including any extensions thereof, shall not exceed five (5) years. Any renewal will have to be signed by the State CPO and will be reviewed by the Legislative Contract Review Oversight Committee. Renewals will also require the Governor and/or her designee's signature to be effective under law.

1. Standard Terms

- a. Either party may terminate this Agreement upon receiving thirty (30) calendar days written notice to the other party for any reason whatsoever.
- b. The failure of either party to abide by and comply with the terms and conditions of this Agreement shall provide grounds for the immediate termination of this Agreement. At any time, upon the default of a party of its obligations under this Agreement, the other party may give written notice to the defaulting party of the nature of the default and expected remedy. The defaulting party shall respond in writing to the noticing party within ten (10) days of receipt of the written notice of default; however, this provision shall in no way limit a party from seeking immediate termination for default.
- c. Upon termination, obligations of a party under any executed contract will cease immediately without penalty or further payment being required.
- d. ABPP and Contractor are separate and distinct agencies. The relationship established herein is purely contractual. Employees of the parties are not considered to be officers, agents, servants, or employees of the other party and each agency takes responsibility only for the acts and omissions of its employees.
- e. In the event of any dispute between the parties, senior officials of both parties shall meet and engage in a good faith attempt to resolve the dispute. Should that effort fail, and the dispute involves the payment of money, a party's sole remedy is the filing of a claim with the Board of Adjustment of the State of Alabama.

For any and all other disputes arising under the terms of this contract which are not resolved by negotiation, the parties agree to utilize appropriate forms of non-binding alternative dispute resolution including, but not limited to, mediation. Such dispute resolution shall occur in Montgomery, Alabama, utilizing where appropriate, mediators selected from the roster of mediators maintained by the Center For Dispute Resolution of the Alabama State Bar.

- f. If any provision of this Agreement is declared void, unenforceable, or against public policy, or if any provision shall contravene any state or federal statute or constitutional provision or amendment, either now in effect or which may, during the course of the Agreement, be enacted, such shall be modified to reflect the

	Document Phase	Document Description	Page 26
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

parties' intention(s) and all remaining provisions shall remain in full force and effect. Invalidation or unenforceability of any part or portion will not invalidate the remaining portions thereof and the remaining portions shall remain in full force and effect, deemed to be written, construed, and enforced as so limited. In any event, this Agreement will be interpreted as far as possible to give effect to the parties' intent.

- g. Contractor shall hold harmless and indemnify the State of Alabama, Bureau of Pardons and Paroles, and any and all of its agents or employees, from any and all liabilities or damages of any nature, arising out of any injury, death, property damage or other claims and demands of any nature arising pursuant to this Agreement.
- h. This Agreement is subject to the appropriation of funds to each party to fulfill obligations laid out herein and will be subject to termination if such funds cease to be available. Should funding or service requirements relative to any executed agreements be altered, those agreements may be amended accordingly. In the event of the proration of the fund from which payment under any agreement is to be made, that agreement will be subject to termination. Each party will use its best efforts to secure sufficient appropriations to fund any executed agreement. Obligations of a party under any executed agreement will cease immediately, however, without penalty or further payment being required, if the Alabama Legislature fails to make a sufficient appropriation or if grant money is not received. Each party will determine whether amounts appropriated are sufficient and will give the other party notice of insufficient funding as soon as practicable after that party becomes aware of the insufficiency and the other party's obligation to perform will cease upon the receipt of such notice.
- i. This Agreement shall be governed by the laws of the State of Alabama as to interpretation, construction, and performance. Compliance hereunder will be performed in accordance with applicable state and federal law, statutes, provisions, and regulations, as well as any federal court orders that pertain to the State of Alabama for which ABPP and/or Contractor is/are required to adhere.
- j. The parties reserve the right to immediately terminate this Agreement if it determines that the safety, health, or wellbeing of any employee, probationer, parolee, individual mandatorily released to ABPP supervision, inmate, crime victim, or other individual has been or is being compromised.
- k. The parties hereto understand and agree that this Agreement shall not be assigned to any other person, group, organization, department, agency, entity, etc. without express approval in writing. Any such approval shall not be considered a waiver by either party to approve any subsequent approval.
- l. The terms and provisions of this Agreement shall apply to and be binding upon and inure to the benefit of the parties hereto. The failure of either party to insist upon strict compliance with the Agreement's terms and conditions or strict performance hereunder shall not constitute or be construed as a waiver or relinquishment of either party's right to enforce the same in accordance with the Agreement. Any waiver of the terms of this Agreement shall not be valid unless such waiver is in writing and signed by the waiving party. A waiver in one instance shall not be deemed a

	Document Phase	Document Description	Page 27
25000000003	Final	RFP for treatment, counseling, reentry services for DRCs	Total Pages: 28

continuing waiver unless expressly stated in writing, signed by the waiving party. The parties are responsible for total performance.

- m. Notwithstanding any provision of this Agreement and any incorporations or amendments hereto, the ABPP does not release or waive, expressly or impliedly, its right to assert sovereign immunity or any other affirmative defense/right it may have under law.
- n. The parties acknowledge and understand that this Agreement is not effective until it has received all requisite State of Alabama government approvals and service/performance shall not begin until this Agreement is fully executed.
- o. This Agreement shall constitute the entire agreement of the parties, and there are no other promises or conditions whether oral or written, unless otherwise mutually agreed upon, in writing, by the parties.
- p. The terms of this Agreement may be amended or modified only upon the mutual agreement of both parties, in writing. This Agreement shall not be amended or renewed without the express written consent of the parties.
- q. The Parties agree, and hereby acknowledge, that all terms, covenants, and conditions, or actions taken under this Agreement shall comply with all applicable state, federal, or local laws including the Alabama BeasonHammon Alabama Taxpayer and Citizen Protection Act as amended. By signing this contract, the contracting parties affirm, for the duration of this Agreement, that they will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the Agreement and shall be responsible for all damages resulting therefrom.
