2. Describe involvement, if any, of project staff with current or past Council grants, Council members, or Council employment in the last five years. Provide information about the sustainability of projects you have had that were supported by the Council in the last five years.

Section 4: Evaluation

In this section, present an evaluation plan for the proposal describing how the applicant will assess attainment of project objectives. The evaluation plan should describe the method(s) planned for assessing project activities and products.

In this section, also provide a description of the method(s) you will use to collect the consumer satisfaction data. Data must be collected. (See Consumer Satisfaction Survey Form in the Appendices).

Section 5: Budget

	Document Phase	Document Description	Page 15
ACDD FY2025-02	Final	innovative idea request for proposal-rfp rfp #acdd fy25-02	Total Pages: 28

The budget must be completed using the budget form included in the Appendices of this application packet (See Appendix 4). The grant request (Federal Share) and the applicant's contribution (Local Match) must be specified for each line-item. The Budget Section must include the following two documents:

1. Budget Form - completed as specified.
2. Line-Item Budget Justification Addendum (See Appendix 5).

The Line-Item Budget Justification Addendum must justify **each** of the items indicated on the Budget Form. The budget justification must state how each item will use grant funds to meet objectives of the proposed project.

Federal Grant funds are intended to minimize gaps in services and increase the independence, productivity, integration, and inclusion of individuals with developmental disabilities and their families into the community.

Project costs must include all proposed necessary charges to be made by the grantee in accomplishing the objectives of the grant during the specified grant period. These funds may not be used for activities that duplicate or supplant what is already available or required under existing laws and/or regulations.

Federal Share (ACDD Funds): This is the federal fund portion of the grant. The ACDD Federal Share is the amount you are requesting from the Alabama Council on Developmental Disabilities. If your proposal is accepted, funds will be **granted based on availability of federal funds** appropriated by the U.S. Congress.

Local Match: This is the portion of the grant for which the grantee is responsible. All grantees are required to contribute at least 25% match of the total project budget.

The Local Match Share may consist of in-kind value and/or non-federal cash contributions. Your match can be used only for approved grant activities.

The total cost of the project equals the federal share **plus** the local match share.

A non-federal share "in-kind" Local Match can be calculated by counting donated person-hours, cost of equipment, rent, utilities, or supplies that are necessary for the operation of the ACDD funded project.

Note: To calculate the local match share for the 25% required match, divide the amount of federal dollars you are requesting by 3. Then to calculate the total grant amount, combine the one-third figure with the federal dollar requested (see example below).

General Formula

Step 1: Federal Request = Local Match

3

Example: 75,000 = \$25,000

3

Step 2: Federal Request + Local Match = Total Grant

	Document Phase	Document Description	Page 16
ACDD FY2025-02	Final	innovative idea request for proposal-rfp rfp #acdd fy25-02	Total Pages: 28

Example: \$75,000 + \$25,000 = \$100,000

Personnel: The personnel section of your proposed budget should show each position by job title, the number of hours per week that each person will work on the project, and each position's hourly rate of pay. Fringe benefits are to be shown as a separate line-item in the personnel category. The distribution between the federal and local (if applicable) shares must be specified for each item.

Operations: The operating expenses of your proposed budget should include all items that are not related to personnel or equipment costs. Included in operational expenses are sub-grant costs, consultant costs, travel costs, and leased equipment costs, etc. Again, the federal and local (if applicable) shares must be specified for each item.

Travel: Travel expenses must be detailed and may include mileage, per diem, and other travel costs. Each item must be justified on the Budget Justification Addendum.

Equipment: The Council does not encourage contractors to purchase major equipment unless a direct and imperative relationship to the project can be adequately described. The budget shall show, by line-item, each item to be purchased or to be used as the local match share under the grant. Each item to be purchased with Federal funds must be justified in the Budget Justification Addendum.

Indirect Costs: If you have a federally approved, negotiated indirect cost agreement, you may use that rate. The approved agreement must be attached to your budget.

If you do not have a federally approved rate, attach a justification to your budget that specifies the rate you are claiming and what is included in your indirect cost(s).

An 8% indirect cost rate is the maximum allowed for this Request for Proposal.

If you have more than one ACDD contract, your indirect cost rate is subject to negotiation.

Unallowable Expenses: Through this RFP, we will **not** support the following:

1. Existing projects that are a part of an organization's current program or budget unless the grant program will expand upon the project.
2. Projects that would supplant or replace existing federal, state, or local dollars to conduct the project.
3. Projects which have a federal, state, or local mandate to be delivered by the applicant organization.
4. Projects which include capital expenditures for the acquisition of land or buildings, new construction, or major repair.
5. Any costs associated with grant preparation cannot be reimbursed by the Council.

Section 6: Letters of Support

A letter of support from each entity that is included in activities described in your proposed project must be included in the appendices of your proposal. A letter of support from a representative of each group of stakeholders is recommended. Additional letters of support may be attached from other entities that have in the past, or will be in the future, a part of the collaborating force involved in your project. All letters of support must be current, signed originals.

Guide to Complete the Project Management Plan:

The Project Management Plan describes how you are going to achieve your objective(s) and goal(s), as well as the expected impact of the project. Please follow the guidelines below to

	Document Phase	Document Description	Page 17
ACDD FY2025-02	Final	innovative idea request for proposal-rfp rfp #acdd fy25-02	Total Pages: 28

complete the Project Management Plan Form (See Appendix 3). (Note: Make additional copies of the Project Management Plan/Work Plan Form, as needed, to include all goals, objectives, and activities.)

Steps in Completing Project Management Plan

1. State goal clearly and simply.
2. Define objective briefly, using only the words necessary to describe the components that are needed to achieve the goal.
3. List specific tasks, methods, and/or procedures in the Activities Column.
4. State who will be responsible for each activity.
5. State a specific time frame in which you will be implementing each activity.

Remember to include all activities you indicated in your narrative that you would be doing, as well as how and when you will include stakeholder coordination and project continuation activities.

Note: See **Sample of Project Management Plan** for sample form that demonstrates the preceding steps and guidelines.

Guide to Project Management Plan Terms

Goal: The goal statement is the ultimate outcome that you want to achieve. The statement must be brief and include **only** what you plan to impact. (i.e., “20 individuals with developmental disabilities obtain jobs of their choice.”)

Each word in a goal statement must indicate an impact you want to achieve. After you have developed your goal statement, go through it word by word to be sure that every impact you want to achieve is stated and the results you do not want to seek have not been included. (Note: The sample goal indicates the project will result in individuals with developmental disabilities obtaining jobs of their choice. If these words are used in the goal statement, then activities would have to be included in the project that facilitate individuals in making choices, as well as obtaining jobs.)

Objective: An objective statement describes what you want to do to obtain your goal (i.e., “50 students will participate in employment activities in the classroom and community to develop career interests.”). (Note: You may need more than one objective to achieve a goal.)

Federal Outcomes: The federal government collects data for these outcomes. Generally, these outcomes are stated in the Request for Proposal (RFP). When selecting federal outcomes for your project management plan, choose those for which your outcome measures provide data. (Note: If you do not know the federal outcomes, you may leave boxes in this column blank. ACDD staff members will complete them. Some of your project’s outcome measures may not have Federal Outcomes.)

Activities: These are a series of steps (tasks, methods, and/or products) that you will implement to reach your objective as well as your goal.

For instance, the following activities might be listed under the sample objective:

- # Students’ interests and skills are surveyed relating to various employment options.
- # Classroom lessons are presented regarding skills needed for successful employment.
- # Contacts are made with area businesses in students’ areas of interest.
- # Students participate in job-shadowing tours at area businesses.
- # Students participate in mock interviews.

	Document Phase	Document Description	Page 18
ACDD FY2025-02	Final	innovative idea request for proposal-rfp rfp #acdd fy25-02	Total Pages: 28

Ten students submit job applications.

(Note: Enter one activity per cell in the Activities Column.)

Outcome Measures: These are statements of how you are going to measure the outcomes of each activity. (Note: Each activity must have an outcome measure. Your series of activities and their outcomes should lead you to reaching your objective and your goal.)

Timeline: This indicates when each activity is expected to begin and end (this may be indicated by month or by fiscal quarter).

Responsible Person: The individual who is responsible for implementing each activity.

Grant Selection Process

The grant selection process is highly competitive. The ACDD Program Planning Committee will recommend the proposal(s) that fully meet the intent of the Request for Proposal (RFP) as set forth by the ACDD. The recommendation is usually based on the highest scoring proposal; however, this may not always be the case if other ranked proposal(s) more adequately meet the RFP intent or have greater statewide significance or impact. Proposals recommended by the Program Planning Committee are forwarded to the Executive Committee. The Executive Committee will then make recommendations, which are forwarded to the full Council for a vote. The ACDD awards contracts to applicants submitting proposal(s) offering the best value on the basis of meeting the intent of the RFP and providing the most optimized quality and cost efficiency. Upon Council approval, Grant Award Notices and letters of approval are issued to applicants whose projects have been approved.

ACDD Rights Reserved

As part of the grant award process, the grantee and the ACDD must establish a mutually agreed upon Project Management Plan, which becomes the contract deliverable. The ACDD reserves the right to:

1. Reject any and all proposals if RFP instructions are not followed.
2. Reject an application that does not meet the intent of the RFP.
3. Negotiate with applicants regarding the Project Management Plan, budget levels, and other issues within the RFP review to achieve maximum impact from the grant award and serve the best interests of the state of Alabama.
4. If unable to negotiate the contract with the selected applicants within 90 days, the ACDD may begin contract negotiations with the next highest scoring qualified applicant(s).

The issuance of an RFP does not obligate the ACDD to award grants. All proposals become the property of the ACDD and will not be returned. Late or incomplete proposals will not be accepted. The Council reserves the right to accept or reject any or all of the responses received as a result of this RFP or to cancel this request in whole, or in part, at any time if it is in the best interest of the Council. The Council also reserves the right to issue amendments to this RFP. If funds from the U.S. Department of Health and Human Services (HHS) are not available, then the RFP will be canceled.

The submission of a proposal does not guarantee the award of a contract. Any contract resulting from the proposal is not effective until it has received all required governmental approvals and signatures. In addition, the selected entity shall not begin performing work under this contract until notified to do so by the departmental contracting agent.

Funded Contract Evaluation

ACDD grants will be evaluated on their relationship to the goals and objectives of the Council and compliance with the proposed and contracted goals, objectives, and timelines specified in the most current Project Management Plan. Compliance will be followed through reports the contractor submits quarterly, etc.

The Alabama Council on Developmental Disabilities is supported by the U.S. Department of Health and Human Services (HHS) as part of a financial assistance award typically totaling \$1,287,864.00 with 100% funding by HHS. Grantees undertaking projects with government sponsorship are encouraged to express freely their findings and conclusions. Therefore, points of view or opinions do not necessarily represent the official views of, nor an endorsement by, HHS or the U.S. Government.

Assurances

The grantee assures:

"The contents of this product were developed under a grant from the Alabama Council on Developmental Disabilities (ACDD). However, these contents do not necessarily represent the views or policies of the Council."

2. The grantee assures that ACDD funds will not be used for capital expenditures or acquisition.
3. The grantee assures the adequacy of financial accounting.
4. The grantee assures non-discrimination and affirmative action in hiring and service provision.
5. The grantee assures that each individual who is provided ACDD funded services will receive individualized services.
6. The grantee assures that all aspects of the ACDD funded services will meet all ADA requirements and be fully accessible.

In addition, each grantee will be required to assure provisions required by both federal and state law that include, but are not limited to, the above stated assurances.

Format Requirements:

The Council encourages those who are submitting proposals to be brief and clear in the presentation of their ideas. The length of the proposal is generally open to the needs of each applicant. However, please note that the Council does not consider the length of the proposal to be an indication of the importance of the information it contains. Proposals that are unnecessarily long, too wordy, or too full of jargon may detract from readability and will not improve the proposal evaluation score. Each proposal should contain specific responses to each of the requests listed in **Section 3: Narrative A-G** and responders are encouraged to respond fully to each inquiry but to be as concise as possible.

One original and five copies, as well as one electronic file on an USB flash drive of your proposal, must be received at the following address no later than **Tuesday, August 5, 2025, at 12:01 PM CT**. Proposals must be clearly marked **ACDD Innovative Ideas**.
